

**Institution frequently updates its IT facilities and computer availability
for students including Wi-Fi**

Response:

1. Bandwidth Changed from 20MBPS to 86 MBPS

Tata tele services to Jio

2. Wifi Coverage from Local to Whole Campus

Jio wifi has been installed in whole campus to provide high speed internet to all stakeholders in the campus. Wifi routers are installed in all buildings in the campus.

3. LAN network

LAN network has been increased and all class rooms and Seminar halls in the institute are covered to provide infrastructure for online classes and interactions

4. Computer updates:

In last one year 80% of computers are updated with Latest hardware and software. Also many computers are replaced with latest new PCs.

5. LCD's:

Total 2 LCDs purchased in last year. Now all class rooms are fitted with LCD's and PCS. Also provision are made for Laptop connection and Internet connection.

6. Smart Board- Institute has purchased one smart board for online lectures/conference.
