## REPORT ON OPERATIONAL FEATURES OF THE FACILITIES/PROCEDURE

Dr. Vithalrao Vikhe Patil Foundation's College of Physiotherapy organized Integrated Model for Learning Disability on 15/09/2022 to 16/09/2022. The integrated model program was scheduled for two days.

The program started at 9:00am which was proceeded by inauguration ceremony followed by the lecture given by Dr. Shyam D. Ganvir in which Interns and PG students were introduced about the basic of the disability through zoom platform.

On 15/09/2022 from 10:00am onwards department wise session on various types of disabilities was given by every staff of respected department on disability. It was continued till 1:00pm. In that every student learnt about the guidelines of disability, knowledge about the Gazette, and certification process of disability. Each session was scheduled for 45 minutes.

From 2:00pm afternoon session was started for the practice on disability calculation on multiple disabilities and recorded on evaluation sheet. After that short field visit was taken in that teaching staff and students were visited to our DDRC. They introduced about the signs/symbols for the disabled people which were helpful for daily activities and intruded about barrier free environment (ramp, rails, toilets etc.)

On 16/09/2022, the program was started with theory session on the remaining disabilities. In the afternoon disability calculation was done by every student on given sample. After that one small session was on basic wheelchair training which was used by every disabled people. The program was end with the post-test and valedictory session.
