Specific Facilities Provided For Women

a. Safety and security

We have safety and security measures in campus and at residential area such as separate girls and boys hostels, quarters etc. We have both lady and gents guards in campus. Wholes campus has various security check points for safety. Hospital and College campus is also under the surveillance cameras.

In Girls hostel ladies guards were posted. In-out entry has maintained in hostel registers by guards. Daily attendance of girls has been maintained at hostel in the evening by warden. Late entry register has been maintained.

b. Counselling

The Institute has made adequate arrangements for counselling of students and faculty members. A regular counsellor is available for all kinds of issues related to psychological stress or gender related issues.

The major objective of the counselling centre is to facilitate Academic, Emotional, Social and cognitive development of the students hence to empower them in their learning and personal development. Other than students, parents and teachers are also getting the benefits from the counsellor in order to pave a path to the students inside the campus and in their homes. Counselling is has been done at various levels in college

1. Mentorship program.
2. Student Guidance unit
3. Counselling by Year coordinator
4. Counselling by Principal

c. Common Rooms

The Common Rooms are not only physical locations within the college, but they are also communities of students and staff.

Common Room for Boys and Girls

Both Girls' and Boys' common rooms are spacious and airy. Where basic amenities are provide for them such as table, chair, lockers, charging board, etc. The purpose of common room facility for students and faculty members is to create a stress-free environment. It is open from 8:00 am - 5:00pm every day.
