**VISION & MISSION**

**Vision**

The vision of the Institute is to transform the College of Physiotherapy as a center of excellence in the field of Physiotherapy profession catering to education, patient services and research to foster holistic local as well as global health care needs along with rehabilitation at community level.

**Mission**

- To provide conducive atmosphere for easy and effective learning.
- To prepare the students to face the global healthcare needs.
- To provide quality care with the help of recent advances in physiotherapy for early functional independence of patients.
- To inculcate the holistic approach amongst the learners for the total rehabilitation of patients
- To foster the research culture among the students and staffs for timely up gradation of knowledge.
- To provide exposure to the extracurricular activities for all-round development of learners.
- To provide quality physiotherapist well equipped with cognitive, psychomotor and effective skills.

**Objectives**

At the end of the Physiotherapy course at our Institute, the learner shall be able to

- Diagnose & manage common health problems of the individuals & the community and make timely decisions for referral to specialty clinics.

**COPT MOBILE APP**

College of Physiotherapy, Ahmednagar has developed its Mobile Application for parents and students who are studying in our institute. This app provides following information to students and parents on daily basis:

- Daily time table
- Monthly teaching plan
- Daily attendance
- Exam time table
- Online Leave application
- Exam marks
- OPAC library access
- Fees module
- E- notices
- Events
- Notifications
- Staff in charge message
- SMS to parents and students

This app reduces the communication gap between stakeholders and also it is an important step in paperless administration. The app can be downloaded from google play store. For login in app id is required which is sent to students and parents through sms on admission confirmation in institute.

## SPECIALITY CLINICS

1) Antenatal & Postnatal Clinic    2) Falls Clinic    3) Ergonomic Clinic    4) EMG-NCV Clinic    **5) Knee Clinic**    Chest Clinic

Osteoarthritis of the knee joint is one of the leading causes of knee pain. Patients feel pain or stiffness in the joints and experience reduced function due to degeneration of the cartilage. As Physiotherapists, we early assess such patients who are suffering from chronic or age-related degenerative changes in the knee and then plan a treatment accordingly. The treatment is focussed upon improving flexibility, reducing pain, improving strength and weight management that help in alleviating the symptoms of knee pain as early as possible. The knee speciality clinic is set up every Tuesday and an expert Physiotherapist from the Musculoskeletal Physiotherapy Department scrutinizes patients based on a Knee assessment proforma specifically made for knee pain patients.

Type here to search 33°C Partly sunny 4:39 PM 10/25/2023

http://copt.cloud9edu.in

The screenshot shows the top navigation bar of the Cloud9 Edu website. The header includes the logo 'CLOUD9 EDU FLOURISHING EDUCATION' and the institution name 'DVVPF'S COLLEGE OF PHYSIOTHERAPY'. A navigation menu contains links for Administration, Fees Management, Admission, App Updates, SMS, Teacher Section, Library, Report Section, and Settings. The current date is 'Wednesday, October 25, 2023' and the academic session is '2022-2023'. The user is logged in as 'khilepanchula (LIBRARY)'.

The Windows taskbar shows the search bar with the text 'Type here to search'. Several application icons are visible, including Edge, Chrome, Firefox, File Explorer, and Word. The system tray on the right displays the weather as '33°C Partly sunny', the time as '4:43 PM', and the date as '10/25/2023'.

This screenshot shows the 'Issue Book / Return Book' page. The page title is 'Issue Book / Return Book' with a link to 'Issue Book List'. The form includes a dropdown for 'Academic Year' set to '2022-2023'. Under 'User Type', 'Student / Lib. No.' is selected with a text input field and a 'Select' button. There is also an option for 'Staff' with a text input field and a 'Select' button. The 'Search Book Title / Acc. No.' field has a text input and a 'Search' button. The 'Book Issue Date' is set to '25/10/2023' and the 'Due Date' is '01/11/2023'. There are 'Issue' and 'Clear' buttons at the bottom left.

The Windows taskbar is identical to the one in the previous screenshot, showing the search bar, application icons, and system tray with weather, time, and date information.
